Help with growing your business
Mentoring on technical sales and marketing issues will help you navigate some of the hurdles all startups face. We'll also feature your company in our own marketing materials to give you further exposure.

To be a part of the program, you need to fit the following profile:

- Be a startup or early-stage technology company with an Internet-dependent product or service
- Have less than 25Cr in annual revenue
- Be a first-time applicant for the program
- Accept the program T&Cs

Why startup with Sanicons

- ✓ World Class platform
- ✓ Infrastructure that grows with your business
- ✓ A complete portfolio of world leading IaaS products
- ✓ Total control from a single interface

"Remember to celebrate milestones as you prepare for the road ahead." - **Nelson Mandela**
